re: Community Radio Legend - Freya

May 27, 2013

CFRU would like to nominate Freya Zaltz as Community Radio Legend. Freya has tirelessly worked for the sector and has made enormous contributions to the sector's understanding of our regulatory requirements while advocating on behalf of our stations in very successful lobbying efforts. The value of the work that Freya has contributed to the sector cannot be underestimated, and every single C/C radio station has benefitted enormously from her efforts. Largely because of Freya's efforts, our sector is well positioned to emerge in good footing from a time of increased CRTC watchfulness and evolving copyright/digital rights.

Sincerely,

Peter Bradley  
CFRU Station Manager
