

Biography

Jason "DJ Lil Jay" Rumball: Lil Jay has over 6 years of internet radio experience and a passion for dance music. He created the Saturday Night Block Party bringing a dance music show to Stouffville on 102.7fm. His internet radio shows are interactive with a live webcam and chat room.

Program

WhiStle Radio's one and only dance music show hosted by Lil Jay features many genres of electronic dance music from 70s disco, reggae, rock remixes and current top 40 remixes! The Block Party also features some guest DJ mixes and featured artists! A show where the listener won't be sitting down but on their feet dancing to high energy music wherever they may be having a block party! No need to line up to get into a club and have to pay a cover charge, just tune into the Block Party and get that dance club feel wherever you are! His loyal followers enjoy his sense of humour and ability to play many music genres in addition to dance music! The show's producer Sarah "The Squeeze" Newton keeps you on your feet with her great ability to squeeze the tracks together creating a continuous mix of dance music!
